

Information for returns

Dear D&M Motorsport customer,

In order to be able to handle your returns in an effective and fast way, we ask you to use the following description of the complaint.

Time to send the return:

Returns have to be made valid latest **14 days after supply** with returns note. Goods that don't have been announced will not be accepted and be sending back to you to your own costs.

You get the amount for the return refunded by us.

Errors should be exactly characterized.
Please write a detailed description of lack.

Returns note:

Returns will only be accepted with completely filled returns note.

A sample of the returns note you find on the back side.
